

Force Faction Tables

last updated 2006-11-09

The eras covered on these tables are 2570, 2750, 2950, 3025, 3050 and Present. These dates represent when a unit came into general use; a unit can be used during the listed era or during any later era. Units that were never mass produced are marked with a dash – in the era column.
