Return of the Wolves

REBELLION!

The Wolf's Dragoons.
Betrayed. Demoralized. Hunted.
No more.

The Dragoons have found hope again on Outreach as a shocking leader arises. Banding together ragtag groups of survivors itching to continue Condition: Feral, the battered and bruised Dragoons have awoken once more.

Join the "Ghosts of Outreach" as they fight to take back Outreach from interloper mercenaries: the Broadsword Legion and Wannamaker's Widowmakers. These Dragoons are bound and determined to strike back using every weapon at their disposal.

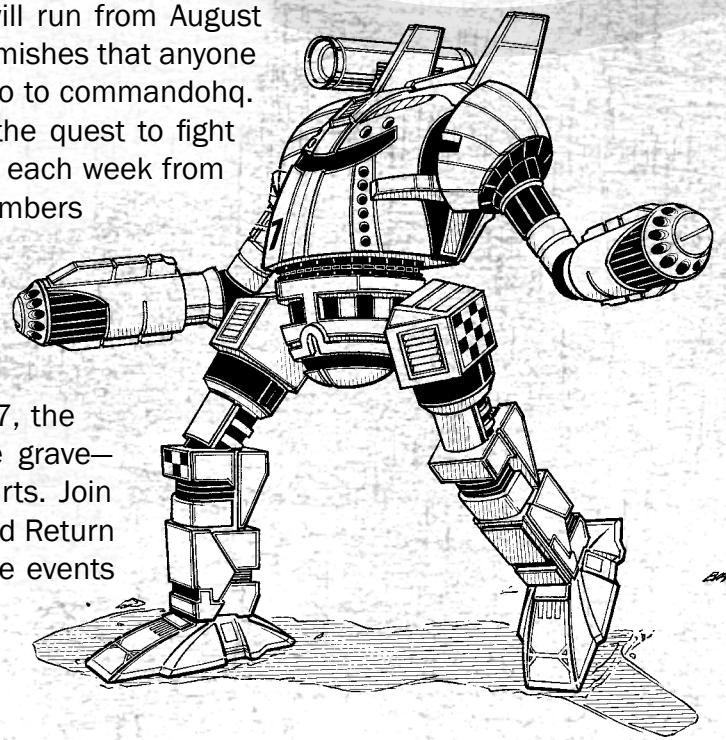

The Return of the Wolves: Rebellion campaign will run from August 24th until October 28th as a series of small-scale skirmishes that anyone can play, at your local game shop or even at home. Go to commandohq.net to find the Commando nearest you and join in the quest to fight the occupation—or put down the dissent. Additionally, each week from September 24th through October 22nd, BattleCorps members will be able to download an additional Return of the Wolves: Rebellion mission to play in the battlefields of their own home.

But the Rebellion is just getting started...

Running from October 5th to December 2nd 2007, the Black Widow Company makes their return from the grave—with vengeance on their minds and war in their hearts. Join the entire world for Return of the Wolves: The Hunt and Return of the Wolves: The Breakout, two exclusive world-wide events where the results have universal consequences!
